## **This is the Catalog of the 1956 LEVELDALE SALE**

In advance of our sales for the past two years we have printed our entire catalog in the breed magazine. The plan has met with universal approval. Students of the breed everywhere, whether prospective buyers or not, have expressed appreciation of the opportunity to study the type that is winning today and the bloodlines that are responsible for this winning type. So here we go again! There will be no expensive catalog for only a limited number to see. This is your copy of the sale catalog. ALL of the pedigrees and ALL of the pictures are here for ALL to see. Except for herd bulls, all illustrations are NEW. Although proud of our history, we believe you are more interested in what Leveldale is accomplishing **TODAY**.

Each year nearly all members of the Leveldale show herd are included in the annual sale. Leveldale produces new show calves **EVERY** year.

**LEVELDALE BASIS**

# **The 1955 International Grand Champions And Their Famous Sire—**

Both of these champions were sired by Leveldale Basis, center, the great show bull of the '51, '52 and '53 seasons. This is the first time in International history that two grand champions, sired by the same bull, were bred and exhibited by the same firm.

**LEVELDALE ROTHES QUEEN 4TH**

Leveldale Capitol by Leveldale Basis. Undefeated bull of the year to date. Winnings include grand championships at the Illinois, Ohio and Indiana State Fairs.

## General Information

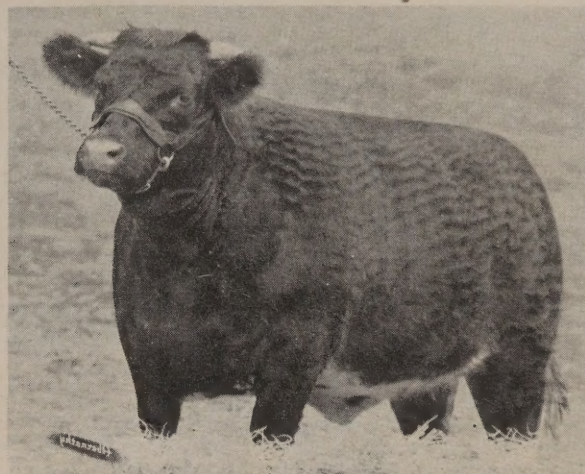

**LOCATION** — This sale will be held on **Monday, November 5, 1956, at Mathers Bros' Farm, Mason City, Illinois.** Mason City is just half way between Peoria and Springfield on Route 29. The farm is located 5 miles West and 1 mile North of Mason City. Take paved highway 10 West out of Mason City 5 miles to the town of Teheran. Then turn 1 mile North and one-quarter mile West. Parties coming from the West should come to Havana, Illinois, then take Route 10 directly to Teheran.

Sale will start promptly at 1 p.m. Lunch will be served at the farm by the ladies of the church. There are comfortable hotels and tourist cabins in Mason City and Lincoln, Illinois. We will be glad to arrange accommodations for those who arrive the day ahead of the sale. Write L. E. Mathers or Hal Longley.

Those traveling by rail or air should come to either Lincoln, Springfield or Peoria from which cities frequent busses leave for Mason City, Illinois. We will be glad to meet parties in any of these cities if advance notice is provided. Those who wish to secure further information about the cattle in this sale or regarding travel accommodations should get in touch with Hal Longley, Sale Manager, 16 S. Locust Street, Aurora, Illinois.

The auctioneers will be J. E. Halsey, C. D. Swaffar, H. P. Miller and Tom Sherlock.

and here are the undefeated grand champions of the year 1956 to date . . . both by Leveldale Basis . . . both bred at **LEVELDALE FARMS.**

Leveldale Princess 8th by Leveldale Basis. Undefeated female of the year to date. Winnings include grand championships at the Illinois, Ohio and Indiana State Fairs.

## Welcome to Leveldale

We always enjoy sale day. It is the climax to another year's work. We are proud of the cattle we have to offer again this year. We are very proud of the results of this new show season, certainly our best to date. We think we are again justified in displaying our pedigrees and cattle to all Shorthorn breeders through using the pages of *The Shorthorn World*.

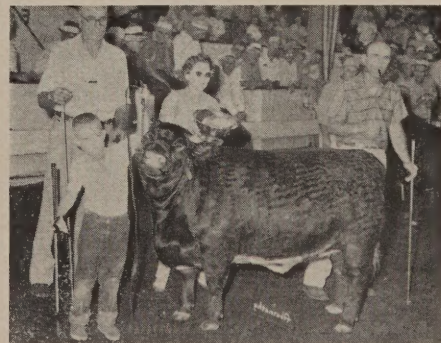

We hope as many as possible will honor us with a visit on November 5 to inspect the cattle and visit with us and our Shorthorn friends. There are always bargains in all sales of good cattle. Sometimes it is the highest priced ones, sometimes from amongst the lower prices.

Mr. and Mrs. C. W. Fenstermaker will disperse their choice herd in our sale. J. E. Klokenga will consign three heifers. We are proud to have these good cattle.

Come to Leveldale on November 5 and we will be happy and we hope you will profit.

*The Mathers families*

**You INVEST Your  
Money for Good Shorthorns...  
You SPEND it for  
poor ones!**

The cameraman caught three generations of the Mathers in this picture with the undefeated grand champion Leveldale Princess 8th . . . L. E. Mathers, L. E. Mathers, Jr., and L. E. Mathers, III.

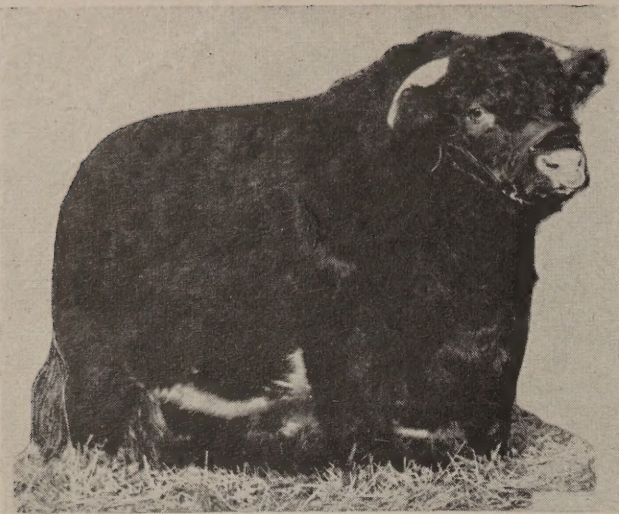

No other bull, living or dead, can match his record for siring undefeated champions and first prize winners.

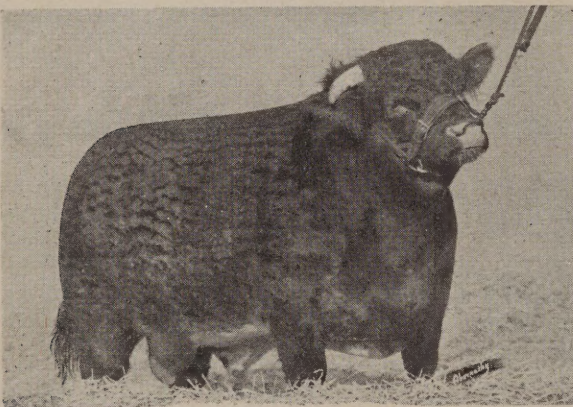

### LEVELDALE BASIS

Sire: Aldie Mainliner by Chapelton Baronet. Dam. Pittodrie Laura Blossom by Bapton Upright. Show bull of the year in '51, '52 and '53. Sire of the year in '54, '55, '56. No other bull can match his record for siring champions and first prize winners. The undefeated champions of 1955 were by him, the undefeated champions of 1956 are by him.

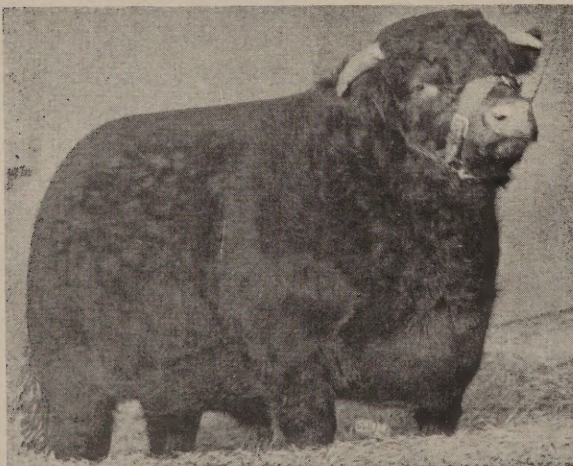

### GLASSINGALL RESEARCH

Sire: Uppermill Autocrat by Lawton Rear Admiral. Dam: Glassingall Princess 4th by Garguston Snowstorm. Many times a champion, three times a first prize winner at the International. Offered \$10,000 for him as a junior calf, we retained him and his calves have brought us a total of over \$130,000.

### LEVELDALE CRITIC

Sire: Leveldale Basis by Aldie Mainliner. Dam. Orchard Crocus 3rd by Dacre First Command. Undefeated grand champion at 1955 shows including the International. Judges everywhere proclaim him the ideal beef-type. His first calves have arrived and they are excellent. Be sure to see them on sale day.

### ECHT PRINCE REGENT

Sire: Cruggleton Aureate by Cruggleton Braemar. Dam: Princess Rosie by Naemoor Passport. Reserve grand champion at the 1954 and 1955 American Royal and grand champion at Denver in 1955. A great show bull that is proving an equally great sire. Owned jointly with Elmcrest Farm, Pawnee, Illinois.

## The Leveldale Goal . . .

Weight for age! It is today's goal wherever beef cattle are grown. Here at Leveldale, however, we have a second goal. Of course we want weight for age . . . all we can get of it . . . but we want these pounds to be red meat, not tallow. In brief, the Leveldale aim is to produce calves that not only have the size, bone and substance to result in greatest profits but that also have the type that meets the approval of packer buyers and show ring judges.

Leveldale herd bulls are that kind. They were that kind themselves and the show ring records prove it! They are siring that kind and the show ring records prove it! And their sons and daughters are continuing to produce that kind for Leveldale customers and the show ring records prove it!

On this page are pictured the bulls that make up today's herd bull battery at Leveldale. The older ones are responsible for the undefeated champions of 1955 and 1956 show rings and for the goodness of this sale offering. We are very confident that the younger ones will insure even better quality for future Leveldale productions.

### *and here's what Les Mathers says about Leveldale Basis*

To be a great bull one must be a great calf, a great yearling, a great mature bull, then a good bull when thin. Leveldale Basis has been all these. On top of that he has proven a great sire, producing new champions each year. His get are uniform in character, quality of hair and flesh, have size and have the ability to grow pounds and still be of show type . . . a rare and valuable asset.

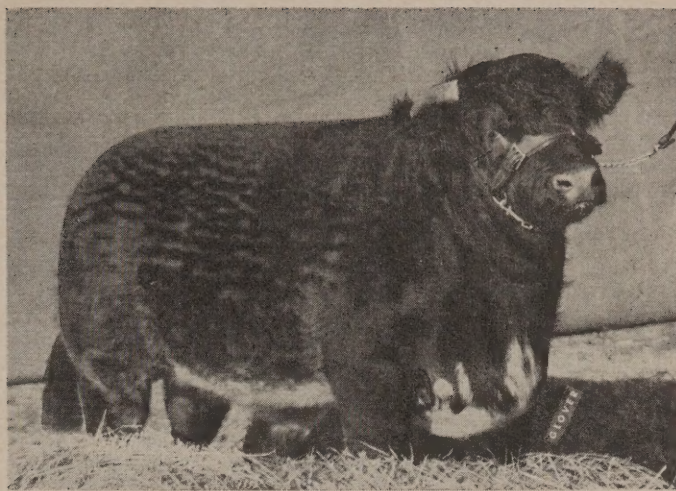

His pedigree is all one can ask for, as all bulls showing in the extended form have proven to be great sires and all females represented have been grand individuals and great producers.

We feel fortunate to own such a bull, because we think he is the kind needed to help Shorthorns achieve their proper place in demands of cattlemen. And we feel equally fortunate to have Leveldale Critic because his first calves lead us to believe he will duplicate the record of Leveldale Basis.

**LEVELDALE CAPITOL** — Another champion. As in the past, we are offering our best. We know he will be appreciated. We are sure he will breed well. He will add to our prestige as breeders. Then we will be happy. By now Leveldale Basis should need no comment as to his ability as a sire. Augusta Cassie 5th is by the great breeding bull, Kirkforthar Endeavour that is doing so well for Luther Rice. On down through the pedigree every animal is a top individual with a proven record. Leveldale Capitol has a breeder's head. He carries it with style. His legs are near perfection, his body smooth and deep and covered with mellow flesh and hide. He is the kind to buy if you cannot afford to guess. Grand champion at the 1956 Illinois, Ohio and Indiana State Fairs.

**LEVELDALE VIRILE** — A massive bull, great bone, correct legs, deep and wide, with a perfect flank line. He is by a great sire, Cruggleton Peglers, whose get were excellent for us and have put Mr. Ellis Giddens of Madison, Georgia, right in the cattle business. Burnton Victoria, a big, smooth, thick cow, has been a great breeder for us. Leveldale Victoria, her first calf was undefeated in class as a yearling and many time junior champion. Another daughter will be one of the best in this sale. This great young bull is another proof that weight for age can be had along with show type. First at Illinois and Iowa and grand champion at the American Royal in Kansas City in 1955. Senior champion at Illinois, Ohio and Indiana in 1956.

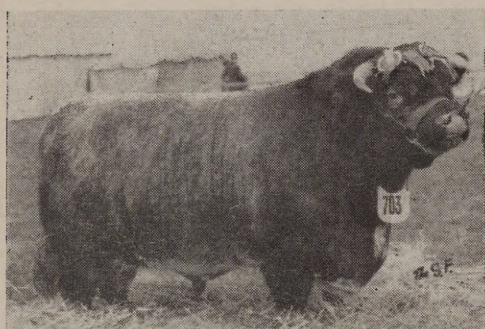

**PITTODRIE MONARCH (Lot 3)**

**MORPHIE MENTOR (Lot 4)**

Pittodrie Kavass by Cruggleton Raeside. Supreme champion at the 1956 Royal Show in England for G. M. Hope, Pangborne, Berks. He is a full brother to Pittodrie Monarch, Lot 3 in this sale.

**PITTODRIE MONARCH** — I believe him to be one of the best prospects for a stock bull I have brought to America. He is a rich red, grand head, very thick and low set, yet with plenty of size. His sire, Cruggleton Raeside, was used successfully at Cruggleton and sold at 4,500 guineas (\$13,500) to Pittodrie where his get have been uniformly good. Pittodrie Hermione, his dam, is a very low set, beautiful red cow. A full brother, Pittodrie Kavass, was recently made Supreme Champion at the Royal Show and described in "Farming News" as a bull of great substance, low and thick-set.

**MORPHIE MENTOR** — A good red son of the famous Calrossie Crocus Count. A good head with extra strength, tremendous bone, a smooth level body. Is from the same dam as Morphie Democrat, stock bull for Willard Moser of Ohio where he has proved a successful sire. We have used Morphie Mentor on several of our best cows and expect the right kind in his get.

**LEVELDALE REVERIE** — An outstanding calf, reserve grand champion at Denver as a baby, standing second in class to Leveldale Capitol at the 1956 Illinois, Ohio and Indiana State Fairs. Very close to the ground, yet rugged and deep sided, with a good head, and a deep red color, smooth and thick. Out of a two-year old heifer by Glastullich Cupbearer, 5,000 gns. calf at Perth. Sired by Leveldale Contract, one of the sons of Basis we held over as a spare in case of accident to his sire and later sold to Fluard Myers & Sons of Indiana at \$2650. Contract is destined to be a real good sire. Leveldale Reverie will stand a very close inspection by anyone looking for the best.

**LEVELDALE ACUMEN** — A really smart looking bull, right head, level deep body on short rugged legs. Very short aged in his class but his beautiful balance will carry him near the top. Second at Illinois, first at Ohio, and second at Indiana in 1956. He is a worthy recommendation for his sire Echt Prince Regent that we own jointly with Dr. A. H. Weiland, Pawnee, Illinois. His dam, a rich red heifer by Drynie Conquest, has her second calf, a really good prospect by Leveldale Romancer. She is the kind to produce herd bulls.

**LEVELDALE CONCEPT** — A great head, nice even dark roan in color, good bone, lots of quality, perfect flank lines. From one of our very best producing cows. Her calves have been outstanding. Be sure to see her on sale day. She was the dam of Leveldale Climax, sire of three great bull calves in our 1955 sale that sold at \$5200, \$2300 and \$2200 respectively, a total of \$9700. This calf stood fourth in class at Springfield only time shown.

**LEVELDALE ARCTURUS** — We can't fit all of our bulls for show. This one got ready on his own. His dam, Augusta Pandora by Cruggleton Godwin (4,000 gns.), is a good milker and a very choice cow . . . cost 620 gns. in the Marshall dispersal. This bull has good bone, extra deep, thick quarters and is well balanced, has depth, thickness, and that smoothness of flesh Leveldale Basis transmits to all his get. A real good doer.

**LEVELDALE BURGESS** — A dark red show type, yet with size and weight for age. Weighed 1,100 pounds at 13 months of age. Extreme depth of body, rugged, with a good burly head. Out of the same dam as Leveldale Barbarian that sold to Nat Holmes in 1953 for \$8,700. He would make a good show and will put the "growth impulse" into his get.

**LEVELDALE CHARIOTEER** — Type, scale, bone and character. A full brother to Leveldale Contract that sold last year to Fluard Myers, Plainville, Indiana, after he had sired Leveldale Reverie and Leveldale Bursar, both in this sale. Saltoun Dally Clara, his dam, has been a great producer of bulls with Leveldale News Flash, Leveldale Classic, Leveldale Contract and Leveldale Calypso to her credit. Be sure to study this great cow. She is the kind anyone would like for the dam of his herd bull.

**LEVELDALE NONESUCH** — A great prospect, not fat, but with a beautiful head, even lines, very short, sturdy legs. From a beautiful red daughter of Beaufort Bolido that has raised her calves well. We consider her one of our top cows. A heifer out of her went to Hi Ho Farm, another to Louada Farm. This bull will, I believe, prove to be one of the best buys in the sale.

**LEVELDALE BLYTHESOME 10th**—Undoubtedly one of the best heifers we have ever offered for sale, a red roan, just a few white hairs. A beautiful yet strong head, good bone, short legs and a deep, extremely smooth body. Her dam was sold in 1953 at \$4,200 to Kickapoo Farm but could not be delivered into Wisconsin because of a late vaccination for Bang's. Has proven a top breeding cow from the most famous family in the Marshall herd. Has been served to Pittodrie Monarch, full brother to the 1956 Royal supreme champion.

**LEVELDALE LUXURY** — From our show string. Winner of her class as a junior calf in several of the last winter shows. A rich red roan with a beautiful head. She has thickness, style, bone and "quality to burn." Her dam, purchased in the Marshall dispersion at 450 gns., has another heifer calf just like her so we can afford to share this good family with our customers. Will be bred to Pittodrie Monarch. We will reserve the privilege of showing her at the International.

For the fifth consecutive year, Leveldale Shorthorns have won the coveted prize for best ten head at the International . . . positive proof of uniformity and dependability year after year.

18 herd bulls most likely to succeed . . . . 37 females that were born to be great

ALL WILL SELL IN THE 1956 LEVELDALE INVESTMENT SALE, MASON CITY, ILLINOIS, NOVEMBER 5th

It's a mistake to think that a Leveldale bull will cost you more. It's true that you might pay a little more, but it will be an investment and not an expense. Why? Because every Leveldale bull is born to be a great sire.

Throughout this catalog you will find pictures of some of our 1956 show animals. We want you to study these pictures because the kind we show are the kind we sell. We are proud of our record at the three major State Fairs that have been held up to the time of compiling this catalog . . . Illinois, Ohio and Indiana. When you are thinking about where to go to buy the best, we ask that you compare the winnings and then compare the pedigrees. Such comparisons will lead you to the Leveldale Sale on November 5th . . . and we will be happy to see you.

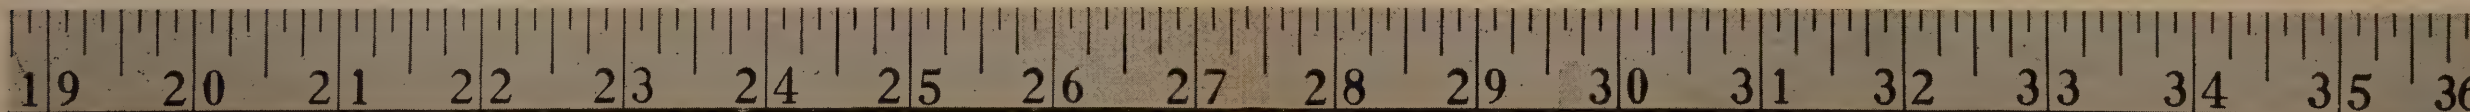

For reservations, extra catalogs or other information, please address

No other award provides greater proof of **uniformly high quality** than the winning of the trophy for Best Ten Head at the International Live Stock Exposition. No greater proof of **dependability** could possibly be provided than to win it five years in a row. Such is the record of Leveldale Shorthorns.

Since quality and dependability are the two most vital factors in any program of animal improvement, is it any wonder that the most careful breeders in the business think first of Leveldale when the time comes to buy a new herd bull? Why don't YOU plan to attend the 1956 Leveldale Sale?

Use TODAY'S show ring records as your guide. Don't be misled by the winnings of a decade ago. Leveldale produced BOTH grand champions at the 1955 International . . . and Leveldale produced the undefeated grand champion bull, female and first prize get-of-sire so far this year. The judges say that the Leveldale type is TODAY'S TYPE. Put it to work in YOUR herd.

No other Shorthorns measure up to the LEVELDALES . . . . and the showring records prove it!

YOU INVEST YOUR MONEY FOR GOOD SHORTHORNS

YOU SPEND YOUR MONEY FOR POOR SHORTHORNS

## From the publisher of our breed magazine . . .

Congratulations, Les and Gene Mathers, for your willingness again to publish your entire sale catalog in The Shorthorn World. Thousands will read it where comparatively few had such an opportunity under the old system of a separate catalog. Following the publication of your last two sale catalogs in this magazine we received many letters from small breeders, animal husbandry instructors and junior club leaders welcoming this opportunity to study the type that is winning in today's shows as well as to study the bloodlines responsible for this type. In my humble opinion, the more people who become familiar with cattle of this kind and can be prompted to buy them, the faster our breed will improve. It is a pleasure to work with you in the planning of your annual sales because your cattle make good for those who buy them and your every move is designed to guard a wonderful and well earned reputation. I am firm in my feeling that your 1956 sale offering is the best in Leveldale history and that these cattle will enlarge your already wide circle of friends.

—Hal Longley, Publisher, The Shorthorn World

This cow was purchased to add to our permanent herd but we share her with you.

## Note these important sales . . .

With national election day falling on November 6th, the day following the Leveldale Sale, the circuit is slightly changed this year. Usually we sell on a Monday and the Metz Invitational Sale at Williamsville is held on the following day. Because we want you all to be at home for election day, the Metz Invitational Sale this year will be held on Saturday, November 3rd and the Leveldale Sale will follow on Monday, November 5th. We hope you will attend both sales and that you will spend Sunday inspecting the herd at Leveldale Farms. And . . . if you don't think you will be able to get home before election day, be sure to vote an absentee ballot before you leave.

## The Klokkenga Herd

One of the sweetest small herds in the state of Illinois is owned by J. E. (Mike) Klokkenga, Emden, Illinois. He is a neighbor of Les and Gene Mathers, many of his foundation females came from Leveldale and he has used Leveldale bulls exclusively and with great success. He is an equal owner with H. E. Behrends & Sons and Mathers Bros. in the great bull Leveldale Good News, reserve junior champion at the 1952 International. We believe that men like Mike Klokkenga, along with their wives and youngsters, are the backbone of this business and we are very proud to include the Klokkenga productions in the 1956 Leveldale Sale. These calves display show yard form, are bred to produce such form and his guarantee is equal to that of Leveldale.

YOU SPEND YOUR MONEY FOR POOR SHORTHORNS

# PLEASE NOTE

The following nine females belong to Mr. C. W. Fenstermaker, San Antonio, Texas. When the misfortune of successive years of drouth hit this section, thus making necessary the dispersal of the cattle, Les Mathers kindly consented to allow Mr. Fenstermaker to disperse his herd through the annual Leveldale Sale. The original cows all came from Leveldale and were imported by Les Mathers. These will be sold along with daughters and calves. Eight of the cows have calves at foot by Leveldale Counsel, a son of Glassingall Research purchased by Mr. Fenstermaker at \$2400 in the 1951 Leveldale Sale. All of the calves are registered and pedigrees for calves as well as cows will be transferred

to the buyers. All calves except the one out of Golden Edina (which was too young) were vaccinated on September 9, 1956 for blackleg and malignant-edema.

The cows with calves at foot carry their own breeding guarantee. The one heifer not yet bred at the time of publishing this catalog will be guaranteed a breeder.

No pictures of these females were available but they are the right kind of individuals and the pedigrees certainly speak for themselves. We hope Mr. Fenstermaker will soon re-enter the business because he loves these cattle and confines his foundation purchases to the most desirable kind.—Hal Longley, Sale Manager

Left—Kirkton Baronet, sire of Lot 47.

Right — Duncrahill Ambition, sire of Lot 53.

Left — Chapelton Royalist, sire of Lot 49.

Right — Beaufort Broadstairs, sire of Lot 54.

Left — Leveldale Counsel, sire of Lot 48, and of eight calves that sell with their dams.

Right — Aldie Mainliner, sire of Lot 55.

# The Fenstermaker Cattle

The nine royally bred females that make up this small, select herd are offered for sale at this time because five years of drouth have made the proper care of the cattle a burden. Mr. Fenstermaker is searching for a better ranch site and will re-enter the Shorthorn business when he finds a suitable location where feed can be grown to sustain the cattle. He therefore has decided to guarantee these cattle even though he is dispersing temporarily. He has bought the best cattle available to found this herd. They have done well

He has probably more weight for age than any bull we have bred since Dreadnaught Clansman and coupled with it, he has a grand head, straight lines, tremendous depth and a great set of rugged legs. He won first prizes at the Ohio, Indiana, Wisconsin and Kentucky State Fairs and the AkSarBen Show.

under adverse conditions and will be a profitable investment for their new owners.

He has used Leveldale Counsel with success. He was purchased in our 1951 sale after we had shown him very successfully as a summer yearling, winning first in class at several shows. Leveldale Counsel developed into a big, deep sided bull with a wealth of flesh and character. His calves have quality and ability to grow. We heartily recommend these cattle.

# Success story!

Scores of stories could be told of the success of Leveldale sires. Here's one that is typical. S. J. O'Bryan, Susanna Farms, Lake Villa, Illinois, paid \$19,000 to obtain Leveldale Custodian and \$5,000 to obtain Leveldale Rothes Queen 2nd in the 1952 Leveldale Sale. The latter was carrying the service of Leveldale Basis at the time of purchase and produced Susanna's Basis, present junior herd bull at Susanna Farms. When Leveldale Custodian and Leveldale Rothes Queen 2nd were mated, the great bull Susanna's Custodian 10th (pictured at the right) was produced. As the show ring records indicate, there are few better bulls in the country today. And the success of Leveldale Custodian is further emphasized by the fact that his calves won first prize in the get of sire class at the 1955 Illinois and Wisconsin State Fairs!

Right — Susanna's Custodian 10th, bred and owned by Susanna Farms. Undefeated in class at 1956 shows to date. Grand champion at the strong Chicagoland Show and the Wisconsin State Fair, reserve junior champion Iowa and Illinois State Fair.

Eighteen bulls will be sold in the 1956 Leveldale Sale. They have SIZE without the loss of compactness. They have bone and ruggedness without any tendency toward coarseness. They have quality. They are bred to produce the most red meat in the shortest length of time. They are the best group of sale bulls in Leveldale history. They will put people IN the cattle business!

## Terms and Conditions . . .

**BREEDING DATES** — A breeding list, showing all service dates, will be provided on sale day. A good many breeding dates are printed in this catalog and we believe them to be correct as of the time of printing. However, breeding dates do change and we want it expressly understood that announcements from the auction block on sale day will take precedence over printed matter in this catalog.

**GUARANTEE** — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. In addition, all animals in this sale are guaranteed to be breeders, regardless of age. A condition of the guarantee is that notices of failure to breed must reach us within 6 months in the case of animals over 14 months of age at the time of purchase, and within 9 months in the case of animals under 14 months old at the time of purchase. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound condition.

**ANNOUNCEMENTS** — All announcements made from the auction block on sale day and the information printed on the breeding sheet which will be provided on sale day will be considered final and will take precedence over matter printed in this catalog.

**TERMS** — The terms of this sale are cash unless arrangements are made in advance with the owners. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

**HEALTH** — The Mathers Herd is Federally Accredited for Tuberculosis. Calhhood vaccination for Bang's Disease is practiced in all the herds from which consign-

ments are drawn for this sale. All females have either been vaccinated or have passed a clean Bang's test within 30 days of the sale. A 60 day Tuberculin retest will be allowed. All cattle in this sale comply with the health laws of the State of Illinois and Illinois health certificates will be provided with each lot sold.

**LIABILITY** — The above guarantee and terms shall constitute a contract between the seller and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

**INQUIRIES ABOUT CATTLE LISTED** — The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

**MAIL ORDERS**—Those unable to be present who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

**SALE MANAGER**—Hal Longley, 16 S. Locust St., Aurora, Illinois.

**AUCTIONEERS**—J. E. Halsey, C. D. Swaffar and H. P. Miller.

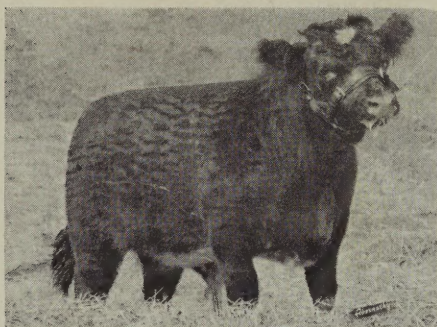

Miss Marianne Huffman, queen of the Ohio Shorthorn Lassies, poses with Les Mathers and Leveldale Capitol, grand champion bull at the Ohio, Illinois and Indiana State Fairs.

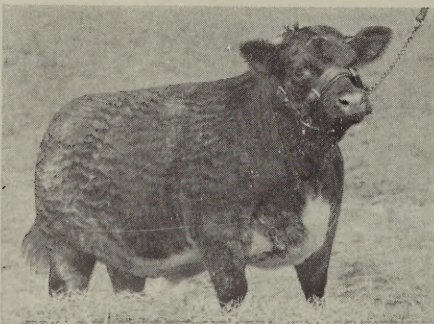

An interesting family group. Augusta Cassie 5th, the dam of Leveldale Capitol (Lot 1), is shown here with Leveldale Critic, grand champion at the 1955 International. The calf, born from the mating of these two famous individuals, is Leveldale Cameronion. Yes, he will be in our show herd next year along with many other Leveldale Critic calves.

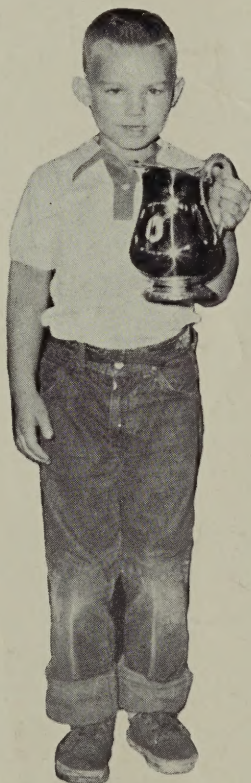

Want performance proof? Leveldale provides it! Leveldale has never used a stock bull that failed to win championships when pitted against the breed's best. Leveldale has never retained a stock bull whose calves failed to win top honors against the breed's best. Leveldale brood cows, nearly all imported and many of them champions in their own right, quickly lose their positions unless they prove themselves capable of rearing calves that win against the breed's best. We insist upon proof of performance when we buy. We are proud to provide it when we sell . . . and the young bulls in this sale are the best in Leveldale history.

Leveldale Pacemaker, first prize junior bull calf at the 1956 Illinois and Indiana State Fairs. Sired by Leveldale Basis. He is the only bull in the 1956 show herd that will be held over for the 1957 shows.

Leveldale Bridesmaid, first prize summer yearling heifer at the 1956 Illinois and Indiana State Fairs. Sired by Leveldale Basis.

Showman of the future, L. E. Mathers III, poses with the grand champion trophy won by Leveldale Capitol.
